

Grade 10: Handout 1-2

Money and Values

Task: Consider the questions below from your own perspective and the perspective of one of the characters from the story. Be thorough and honest with your responses.

Questions	Me/Peers	Character:	And So..
What do you personally do with your money?			
How much does a normal day cost you? (think about everything you may need in a day)			
What do you “need” money for?			
What do you “want” money for?			
What do you value? How do you think money relates to these things? Does it relate?
